)	
Defendant.)	

Defendant is being held at the Heart of America Correctional and Treatment Center (HACTC) in Rugby, North Dakota, pending further proceedings.

On January 22, 2015, the court was advised by the United States Marshal that there had been an incident at HACTC the previous evening and that defendant had bitten a guard, breaking the skin. As there may have been bodily fluid contact, the HACTC's security director is seeking authorization to obtain a blood sample from defendant for testing.¹

The court authorizes HACTC to obtain a blood sample from defendant for testing to determine whether any further precautions are necessary due to the possible cross-contamination of bodily fluids. To obtain said sample and to ensure everyone's safety, HACTC may place defendant in a restraint chair.

IT IS SO ORDERED.

Dated this 22nd day of January, 2015.
